Wish Kids Program

Meet Liam

Over the past year we completed the wishes of 10 children. And, currently, there are 33 other deserving kids on our current roster.

As an example, here is Liam. He has been a Wish Kid since 2011. He and his family will soon be off visiting Disney World and we're so pleased that we can help make that happen. Click below to learn about Liam's story and learn about some of our other very special kids.

Community Supporters

Rozzi Charity Golf Tournament

Many individuals and community groups and businesses continue to make significant contributions to the GWFC. From memorial donations and legacy gifts, to holding events such as Cake Sales, Poker Runs and more, community groups, big and small, have demonstrated their corporate leadership and generosity.

We are especially grateful to the Rozzi family. For the past 12 years they have held an annual golf tournament that has raised over \$150,000 - that's 15 wishes!
